

January Newsletter 2019

Vicinia Vibe!

We hope that everyone had a wonderful Christmas and are looking forward to the New Year.

We have some great new activities starting in January, here at Vicinia Gardens! Some new activities we will be adding include a Men's Poker Game every Wednesday @ 6:00 p.m. This will provide a time for Men to get together and visit.

Next is a card making class every Wednesday @ 3:00 p.m. where participants will learn how to use rubber stamps/ink and blank cards to make their own greeting cards. This will be a two-hour class so that they have time to learn and make at the same time.

We will also continue to have our outings to Restaurants

and Events as the weather permits. We are always looking for family volunteers!

Spirit week will be January 13th-19th. Check the Calendar to see what fun is coming! Another new and exciting activity that we will start soon is 'Learn About Your Neighbor'. This will be a monthly section in our Newsletter about one of our Residents. We will be interviewing Residents, that would like to participate, to learn about their life. This will give us all a way to get to know the people we see every day, a little bit better.

Please contact Ronella for any questions or updates!

Jammie's Gems

I would like to take this opportunity to introduce our new Kitchen Director, Yolanda Key! She has come to us with 18 years of experience! We look forward to her scrumptious home style cooking and extensive knowledge in our Vicinia Vittles Café!

I would also like to say a special thank you to all the families and friends that blessed us all with the wonderful treats over the holiday season! They gave the extra pep in our step that we need on those busy days!!

Also, we will be switching to a new pharmacy, Hometown on February 1st. Please contact Jammie or Tracy with any questions or concerns. Thank you everyone and Happy New Year!

Merry Christmas

Happy New Year

Friendly Reminders *Updated*

Welcome Dogs - As we welcome your loving pets, we want to remind our Visitors of our Pet Guidelines here at Vicinia Gardens. We need your animal's vaccinations on file. Please keep your dog on a short leash and respect our residents, staff and guests. Not everyone loves dogs as much as we do. Please clean up any "accidents" inside or outside the building. Most importantly, for the safety of our residents, we have the right to remove any pet at any time. We want an enjoyable visit for everyone, including your pet. 😊

Family & Friends - Please remember to sign your loved one out when they are leaving the building, and sign them back in when they return. When signing a resident out, let your loved one's Resident Aide know if they will be here for their next meal and if they need any medication while they are gone.

Meals - We welcome families and friends to join our residents for a meal, a small cost of \$3. Please let us know at least 24 hours in advance. Thank you!

NOTICE: We cannot use extension cords in our building. They are a fire Hazard and unsafe for our residents to have in their rooms. Please contact Bob, our Maintenance Man, if you have any questions or for alternative suggestions. We apologize for the inconvenience. Thank you!

PHARMACY UPDATE: Vicinia Gardens will be changing pharmacy providers on February 1, 2019.

Hometown Pharmacy will now be taking care of our Pharmaceutical needs.
